WORK EXPERIENCE

Software Quality Assurance Engineer

Alright Tech Private Limited

05/2024 - Present

Rawalpindi, Pakistan

Achievements/Tasks

- Actively collaborated with clients during requirements gathering sessions, project reviews, and defect triage meetings, ensuring QA deliverables were fully aligned with business and user expectations.
- Created and executed comprehensive manual test cases, UI/Figma design parity checks, and functional testing across 23+ multi-portal web and mobile applications.
- Conducted thorough REST API testing (Postman) to verify request/response structures, status codes, data accuracy, and integration between system components.
- Executed Regression, Smoke, and Sanity testing cycles and maintained Reproducible Bug Reporting in structured Excel defect workbooks.
- Performed Performance and Load testing using Apache JMeter, analyzing response times, throughput, and system behavior under concurrent load conditions.
- Built SpecToTest Studio (<https://spectotest-studio.vercel.app>) to automate 11-category test case generation from SRS documents and export 2-sheet Excel defect logs.

Software Quality Assurance Engineer

Appium Logics Solution

06/2021 - 08/2022

Achievements/Tasks

- Created and executed manual functional, usability, and regression test cases across web and mobile applications to ensure software stability and release quality.
- Maintained Reproducible Bug Reporting in Excel defect logs and collaborated with development teams to verify fixes and improve overall software performance.

Professional Training in Software Quality Assurance

Hazza Institute of Technology

06/2022 - 08/2022

ACHIEVEMENTS

- Recognized as Employee of the Month at Alright Tech Private Limited for outstanding QA ownership and zero-escaped-P1 production releases.
- Created & executed 1,500+ test cases across 23+ AI, FoodTech, EdTech, E-Commerce, and mobile applications, including secure payment gateway testing.
- Designed & deployed SpecToTest Studio (live QA automation & Excel defect reporting platform).

SKILLS

Testing & QA:

Web & Mobile Testing, UI & Figma Parity Testing, Functional Testing, Regression Testing, Smoke & Sanity Testing, Responsive Testing

Test Design & Reporting:

Test Cases Creation & Execution, Equivalence Partitioning (EP), Boundary Value Analysis (BVA), Reproducible Bug Reporting (Excel Defect Logs), Defect Analysis & Reports

API, Performance & Tools:

REST API Testing (Postman), Performance & Load Testing (Apache JMeter), SQL Verification, Playwright E2E, SDLC, STLC, White Box & Black Box Testing, Agile Methodologies

QA SYSTEM BUILT & PROJECTS WORKED ON

SpecToTest Studio (Built by [Me](https://spectotest-studio.vercel.app))

- Designed & developed an AI-powered SQA workbench (<https://spectotest-studio.vercel.app>) that generates 11-category manual test cases from SRS documents/UI screens and exports 2-sheet Excel defect reports, Gherkin BDD, and Playwright scripts.

CovAlign AI & SkilledTalk (Web & Mobile AI Platforms)

- Created & executed test cases and performed UI, Functional, REST API (Postman), and JMeter Performance testing across AI alignment and communication coaching workflows.

Pommy Foods (Web, Mobile App, Admin, Kitchen & Driver)

- Created & executed test cases and performed UI, Functional, API synchronization, and Load testing across the 4-portal FoodTech ecosystem.

Chef Bright (Figma to Production)

- Created and executed test cases and conducted end-to-end testing from Figma designs to production, including Figma UI Parity, Functional, Regression, and Responsiveness testing.

Potolo, Samanta & XOblack

- Created and executed comprehensive test cases and conducted UI, functional, cross-device, API, and performance testing with Reproducible Bug Reporting in Excel.

Sub Tracker, Sing N Track & 15+ More Projects

- Created & executed test cases and performed Figma-based UI, functional, and regression testing across app, web, and admin portals (Aleen AI, Octo Braino, Sirmoney, Cartengo, Balamove, etc.).

EDUCATION

Bachelors in Software Engineering

International Islamic University, Islamabad

09/2018 - 08/2022

GPA: 3.41
